A-Plus Rewards Terms & Conditions

Here's HOW TO PARTICIPATE

1. Earning a Free Flight or Four Business Class Upgrades: To participate in AirTran Airways' A-Plus Rewards you must complete the A-Plus Personal Information Section in this brochure by filling in all required identification information and collecting 12 Flight Credit Vouchers within a 12-month period (the total amount of time between the earliest-dated Flight Credit Voucher you submit and the latest-dated Flight Credit Voucher you submit must be no more than 12 months). Only the person named on the A-Plus Personal Information Section may submit A-Plus Flight Credit Vouchers, all of which must show that person's name, regardless of who paid for that person's transportation. Individuals must participate separately in the program, and all flights must be flown by the same person. Companies and organizations may not participate.

2. Earning Credits: Flight Credit Vouchers will be issued automatically at check-in, along with your Customer Receipt and Boarding Pass at the gate of the originating city of your trip at the rate of one Credit per coach-class flight, and two Credits per Business Class flight (A-class only). For the A-Plus Rewards program, a flight is defined as a trip on AirTran Airways from an origin city to a destination city, including any intermediate stops or connections. A Business Class flight is one for which AirTran Airways' full Business Class fare has been paid; a coach-class flight is one for which any coach fare has been paid. For purposes of this program, the following types of flights are not included: AirTran Airways employees and all other non-revenue travel, industry discount fares, barter/tradeout tickets, X-Fares, all other promotional fares, free tickets and A-Plus Reward Certificate Travel, all of which are ineligible for Flight Credit award. Flight Credit Vouchers will be automatically issued only before flight departure, in conjunction with your Boarding Pass and Customer Receipt, and cannot be issued or reissued after a flight has been completed or at any other time or under any other circumstances.

3. Program Earning Period: Twelve Flight Credit Vouchers must be earned in a twelve-month period beginning on the date of the earliest Flight Credit Voucher submitted.

4. Free Travel Period: A-Plus Travel Reward Certificates earned in this program may be redeemed for free tickets on AirTran Airways or other airlines for a period of 12 months following the date of Certificate issuance, for travel on flights operating up to 12 months from the time you make your reservation, except for blackout dates. Upgrade Certificates are valid for a period of twelve months following the date of Certificate issuance. Extensions will not be granted for the expiration date.

5. Requesting an A-Plus Travel Reward Certificate: A-Plus Flight Credit Vouchers are accepted subject to review by AirTran Airways, whose sole judgment will determine if an A-Plus Travel Reward Certificate is issued.

6. How To Redeem an A-Plus Travel Reward Certificate: Free travel on AirTran Airways will be available to you immediately after validation and upon your receipt of the A-Plus Travel Reward Certificate; free travel on other airlines requires two A-Plus Travel Reward Certificates and that you call us at 1-888-3-APLUS-8 (1-888-327-5878) no fewer than thirty (30) days before your planned departure date.

7. Transferability of A-Plus Travel Reward Certificates: A-Plus Travel Reward Certificates are transferable, and may be used for issuance of tickets in the name of any person to whom you wish such ticket(s) to be issued. Business Class Upgrade Certificates are transferable. However, Certificate holder must call to make the reservation.

Here's HOW TO GET FREE FLIGHTS on AirTran Airways

8. Getting Free AirTran Airways Coach Travel: After you've received your A-Plus Travel Reward Certificate, you may call us at 1-888-3-APLUS-8 (1-888-327-5878) immediately to book your A-Plus Reward Trip. One A-Plus Travel Reward Certificate (12 Flight Credit Vouchers) is required for one free coach roundtrip on AirTran Airways. Availability of seats on AirTran Airways is subject to capacity controls and blackout dates, and seats are limited and may not be available on all flights. A roundtrip is defined as travel from a single point of origin to a single destination and return to the origin point over the most direct routing between any two cities with published fares and schedules. Once a free ticket has been issued, any subsequent reissues are subject to change fees as per the carrier's contract of carriage.

9. Upgrading to Business Class: You may purchase an upgrade with your credit card at check-in if space is available, at a cost of \$35 one-way for each nonstop flight or \$70 one-way for connecting flights.

10. Blackout Dates: The following holidays and days around them are blacked out for free travel: New Year's, Presidents' Day, Easter, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas. Call us for specific dates at 1-888-3-APLUS-8.

Here's HOW TO GET FREE FLIGHTS ON OTHER AIRLINES

11. Free Flights on Other Airlines: Two A-Plus Travel Reward Certificates (24 Flight Credit Vouchers) are required for one free coach roundtrip ticket for travel between Atlanta, Baltimore/Washington (BWI), or Washington, D.C. (Dulles) and any point in the 48 continental United States served nonstop (no connections) or direct (one-stop). You must agree to fly on one of the following carriers: American, America West, ATA, Atlantic Coast Airlines, Atlantic Southeast Airlines, Continental, Delta, Midwest Express, Northwest, Southwest, United or US Airways. All flights on airlines other than AirTran Airways must originate from and return to Atlanta, Baltimore/Washington (BWI), or Washington, D.C. (Dulles). Travel to/from Atlanta, Baltimore/Washington (BWI), or Washington, D.C. (Dulles) is the sole responsibility of the recipient. Free travel on other airlines is available only on nonstop and direct

(one-stop) flights and direct (one-stop) flights from Atlanta, Baltimore/Washington (BWI), or Washington, D.C. (Dulles). Free travel on other airlines will not be issued on routes where AirTran Airways publishes schedules and fares. On those routes, free tickets will be issued for AirTran Airways flights for one A-Plus Travel Reward Certificate (12 Flight Credit Vouchers).

12. Getting Free Flights on Other Airlines: After you've collected two A-Plus Travel Reward Certificates:

(a) Call us at 1-888-3-APLUS-8 (1-888-327-5878), at least 30 days before your desired departure date, between the hours of 9 AM and 5 PM (EST), Monday through Friday. Reward tickets will be issued for coach travel, subject to the lowest Advance Purchase Excursion fare published by the above listed airlines (as filed with Airline Tariff Publishing Corporation [ATPCO]) being available on the requested flights. AirTran Airways will purchase on your behalf roundtrip transportation, and arrange for express delivery of tickets to you. Additionally:

(b) You must agree to plan an itinerary with a stay at your destination including no less than one Saturday night, and no more than 30 days, using the most direct routing where qualifying fares are available, without planned stopovers or open-jaw segments; and,

(c) You must agree to accept alternative airline, departure and/or return travel dates and times, depending upon availability of the lowest Advance Purchase Excursion fares published by the above listed airlines at the time you book your A-Plus Reward Travel in the city pair in which you have chosen to fly.

(d) Your tickets will be sent via express delivery to the person and address you specify when ordering them, and will be delivered to that address, signature required. Once delivered and signed for by a person at the address you specify, AirTran Airways shall have no further responsibility for provision of tickets.

(e) Tickets issued for flights on other airlines enter you into a contract of carriage with that airline, and AirTran Airways will have no further responsibility or liability for losses incurred in connection with your flight on that airline.

(f) Remember to give the A-Plus Rewards agent your frequent flier number on the airline on which you are traveling so that you may earn frequent flier mileage on your free ticket.
